Copenhagen

Michael Frayn

Copenhagen Michael Frayn

The Tony Award—winning play that soars at the intersection of science and art, **Copenhagen** is an explosive re-imagining of the mysterious wartime meeting between two Nobel laureates to discuss the atomic bomb.

In 1941 the German physicist Werner Heisenberg made a clandestine trip to Copenhagen to see his Danish counterpart and friend Niels Bohr. Their work together on quantum mechanics and the uncertainty principle had revolutionized atomic physics. But now the world had changed and the two men were on opposite sides in a world war. Why Heisenberg went to Copenhagen and what he wanted to say to Bohr are questions that have vexed historians ever since. In Michael Frayn's ambitious, fiercely intelligent, and daring new play Heisenberg and Bohr meet once again to discuss the intricacies of physics and to ponder the metaphysical—the very essence of human motivation.

From the Trade Paperback edition.

From reader reviews:

Alberto Meyer:

Spent a free time to be fun activity to complete! A lot of people spent their down time with their family, or their very own friends. Usually they carrying out activity like watching television, planning to beach, or picnic in the park. They actually doing same thing every week. Do you feel it? Would you like to something different to fill your own personal free time/ holiday? Could be reading a book may be option to fill your free time/ holiday. The first thing that you'll ask may be what kinds of book that you should read. If you want to consider look for book, may be the guide untitled Copenhagen can be very good book to read. May be it could be best activity to you.

Mohammed Thomas:

The book Copenhagen has a lot of information on it. So when you read this book you can get a lot of profit. The book was compiled by the very famous author. The writer makes some research previous to write this book. This book very easy to read you will get the point easily after perusing this book.

John Valdez:

Many people spending their time frame by playing outside together with friends, fun activity along with family or just watching TV the whole day. You can have new activity to invest your whole day by studying a book. Ugh, ya think reading a book can actually hard because you have to accept the book everywhere? It fine you can have the e-book, taking everywhere you want in your Cell phone. Like Copenhagen which is getting the e-book version. So , why not try out this book? Let's notice.

David McKenney:

What is your hobby? Have you heard that question when you got pupils? We believe that that question was given by teacher with their students. Many kinds of hobby, Everybody has different hobby. And you know that little person similar to reading or as looking at become their hobby. You should know that reading is very important along with book as to be the thing. Book is important thing to incorporate you knowledge, except your own teacher or lecturer. You discover good news or update with regards to something by book. Many kinds of books that can you choose to adopt be your object. One of them is niagra Copenhagen.
