Faith in the Land of Make-Believe: What God Can Do...Even In Hollywood Lee Stanley

More than a narrative about a young man destined to accomplish the impossible, more than a chronicle of successful Hollywood writer, producer, and director, Lee Stanley's unparalleled success that changed not only his life but also the lives of millions of others ... Faith in the Land of Make-Believe is the gritty memoir of someone who was never taught how to be a man, a husband, or a father, and was scared to death somebody would find out.

Now an award-winning filmmaker, author Lee Stanley learned early in life never to show a weakness. With a macho facade, womanizing ways, and hair-trigger rage, Stanley became his own worst enemy—an enemy that only Christ could defeat.

Faith in the Land of Make-Believe is the powerful and brutally honest story of a man who learned how to become totally dependent on God. This is a book about passion, determination and a refusal to give up.

Most importantly it is about fulfilling your purpose by never backing down, and always standing solely and completely upon the Word of God.
