For anyone who's ever taken the long way around....

Austin Gittleman is running late, and not just for the seaside wedding he's attending. Austin's an eye doctor, who doesn't see what's in front of him, until he crashes into Naomi Bloom, a pastry chef with a taste for adventure. Naomi believes a straight line isn't always the shortest distance between places -- or people.

Do any two people look at love the same way? Austin and Naomi offer conflicting narrative accounts as they circle each other through a series of miscommunications and missed connections. In *The Scenic Route*, life is what happens on the way to where you're going. It's unpredictable and sometimes fleeting, but it can be pretty wonderful when you bring the right person along for the ride.
