## **O Colesterol Do Trânsito (Portuguese Edition) Gustavo Henrique Ruffo**

Este livro elenca e descreve os tipos de motoristas que, assim como o colesterol na corrente sanguínea, ajudam a enfartar nosso sistema viário. Conheça o folgado, o indeciso, o distraído e tantos outros com os quais você, infelizmente, acaba se encontrando todos os dias ao volante. Este livro é excelente pedida para Amigos da Onça, para dar aquele aviso nada sutil de que alguém anda mandando mal à direção ou simplesmente para divertir, longe do banco do motorista, aqueles que reconhecem e não se enxergam causando as situações absurdas criadas pelos LDL do asfalto.
