Trevor Dadson, Helen H. Reed

Epistolario e historia documental de Ana de Mendoza y de la Cerda, princesa de Éboli. (Tiempo emulado nº 26) (Spanish Edition) Trevor Dadson, Helen H. Reed

Se estudia en este volumen singular la historia de doña Ana de Mendoza y de la Cerda, la famosa princesa de Éboli; y es muy importante indicar que se trata de un libro de historia con mayúsculas, porque este personaje, tan conocido desde el mito y la leyenda y protagonista, en muchas ocasiones, de la narrativa novelada, apenas había sido objeto del análisis sistemático que el método histórico exige. Ahora, por fin, los profesores Trevor J. Dadson y Helen H. Reed han realizado, con minuciosa precisión, este trabajo que la historiografía española tenía pendiente. Porque ellos, tras un largo peregrinar por la ingente documentación de los principales archivos españoles, han conseguido rescatar la propia "voz" de la princesa que habla, en estas páginas, con un estilo terso y sencillo a través de 428 documentos, que incluyen 74 cartas enteramente autógrafas de la princesa, 42 copias o transcripciones de cartas y memoriales que ella escribió u ordenó, así como documentos notariales y de otra índole. De ello emerge una gran y novedosa historia; la que sitúa a la princesa en el epicentro de acontecimientos y estructuras fundamentales en la historia hegemónica de la España del siglo XVI.
