Now there's an alternative to intimidating, cryptic plumbing code books: this much-needed, plain-English handbook is the first real-world, easy-to-use guide to learning the code and its implementation. Expertly reviews and interprets both the International Plumbing Code (IPC 2000) and the Uniform Plumbing Code (UPC 2000), helping designers and installers cut down on costs--and boost profits--through optimal usage of the code. Packed with examples, charts, photos, and that tables simplify code requirements, plus troubleshooting and safety procedures sections.
