The Tale of the 1002nd Night: A Novel

Joseph Roth

The Tale of the 1002nd Night: A Novel Joseph Roth

Vienna of the late nineteenth century, with its contrasting images of pomp and profound melancholy, provides the backdrop for Joseph Roth's final novel, which he completed in exile, a few years before his tragic death in 1939. *The Tale of the 1002nd Night* is a brilliant, allegorical tale of seduction and personal and societal ruin, set amidst exquisite, wistful descriptions of a waning aristocratic age, and provides an essential link to our understanding of Roth's extraordinary fictive powers.
