Maitreya's Mission, Volume Three Benjamin Creme

Benjamin Creme presents a compelling vision of the future. With Maitreya, the World Teacher, and His disciples the Masters of Wisdom openly offering Their guidance, humanity will create a civilization worthy of its divine potential. Peace will be established; sharing the world's resources the norm; maintaining our environment a top priority. The new education will teach the fact of the soul and the evolution of consciousness. The cities of the world will be transformed into centres of great beauty. This book offers invaluable wisdom on a vast range of topics. It includes Maitreya's priorities for the future, and interviews with a Master of Wisdom on 'The Challenge of the 21st Century'. It explores karma and reincarnation, the origin of humanity, meditation and service, the Plan of evolution, and other fundamental concepts of the Ageless Wisdom Teachings. It includes a fascinating look from an esoteric, spiritual perspective at 10 famous artists - among them Leonardo da Vinci, Michelangelo and Rembrandt. Like the first two volumes of Maitreya's Mission, this work combines profound spiritual truths with practical solutions to today's most vexing problems. It is indeed a message of hope for a humanity ready to "begin the creation of a civilization such as this world has never yet seen".
