## **Sequoia and Kings Canyon National Parks: Your Complete Hiking Guide** Mike White

The southern High Sierra, including Sequoia and Kings Canyon National Parks and the surrounding John Muir, Jennie Lakes, and Monarch Wildernesses, is one of the most magnificent natural areas in the world. Blessed with the largest trees on earth (giant sequoias), one of the deepest canyons in North America (Kings Canyon), and the highest mountain in the continental U.S. (Mt. Whitney), the greater Sequoia-Kings Canyon region offers unparalleled mountain majesty. Along with such superlatives, hundreds of miles of trail provides access to a boundless number of high mountain lakes, wildflower-covered meadows, cascading streams, deep forests, and craggy peaks. Mike White's guide is the only comprehensive guide to this portion of John Muir's Range of Light.
