Short Stories of Padraig Pearse: The Easter Rising Hero of 1916 Padraig Pearse

Pádraic Pearse, who played a prominent part in the 1916 rebellion, declared Ireland a Republic from the steps of the General Post Office in Dublin. He was executed, along with the other leaders, for his part in the Rising. But he was a gentle warrior at heart.

These five stories show us that Pearse was a man of deep understanding with immense human awareness of the way of life of the average person. He analyses the sorrows and joys of the Irish people of his time, and writes of the tragedies of life and death from which they could never escape. Patrick Henry was an Irish teacher, barrister, poet, writer, nationalist and political activist who was one of the leaders of the Easter Rising in 1916. He was declared President of the Provisional Government of the Irish Republic in one of the bulletins issued by the Rising's leaders, a status that was however disputed by others associated with the rebellion both then and subsequently. Following the collapse of the Rising and his subsequent execution, Pearse came to be seen by many as the embodiment of the rebellion.
