The Art of War - Two Perspectives Niccolo Machiavelli, Sun Tzu

Sun-Tzu's Art of War is Perhaps the most important book ever written about warfare. It can be used and adapted in every facet of your life. This book explains when and how to go to war, as well as when not to. The wisdom of the ages is distilled here, and no one has ever written a book about war that has become more important or replaced or topped the knowledge in this book. Niccolo Machiavelli considered his Art of War to be his greatest achievement. Here you will learn how to recruit, train, motivate, and discipline an army. You will learn the difference between strategy and tactics. Machiavelli does a masterful job of breaking down and analyzing historic battles. These two books of military knowledge belong side by side on every book shelf, and now you can have them in one volume as East meets West.
