The Other Kitten Patricia St John

Mark picked up a black and white kitten with four white paws and a white nose. 'We'll have this one,' he said. 'No,' said Carol, picking up a grey tabby, 'we're having this one, and I'll call it Fluff because it's so soft.' But choosing a kitten soon turns into an argument, and the argument nearly turns into disaster! The stories of Patricia St John have been entertaining and challenging children and young people for generations. This new edition of *The Other Kitten* is as fresh as when it was first published in 1984.
