Fort Myers in Vintage Postcards (Postcard History Series) Gregg Turner

Fort Myers lies on the beautiful, wide Caloosahatchee River. Tropical flowers and palm trees dot the landscape, which today boasts a revitalized downtown, historic neighborhoods, shopping, and a breathtaking waterfront. The fort itself, named for Lt. Col. Abraham Myers, was established to quell uprisings and help the Indian Removal campaigns. It was later used by Union forces in the Civil War, abandoned, and then reoccupied by courageous settlers who relied on the cattle business and farming to sustain families and the community. In the late 1800s, Fort Myers began to attract famous winter residents, such as "electrician" Thomas Edison, as well as wealthy sportsmen trying their luck at tarpon fishing. When the "iron horse" finally arrived in 1904, Fort Myers experienced an economic transformation, and her days as a frontier cow town were numbered.

From reader reviews:

Anna Maples:

Have you spare time for the day? What do you do when you have much more or little spare time? Yeah, you can choose the suitable activity with regard to spend your time. Any person spent all their spare time to take a walk, shopping, or went to often the Mall. How about open as well as read a book called Fort Myers in Vintage Postcards (Postcard History Series)? Maybe it is for being best activity for you. You know beside you can spend your time along with your favorite's book, you can more intelligent than before. Do you agree with their opinion or you have various other opinion?

Joan Henderson:

Nowadays reading books be than want or need but also work as a life style. This reading practice give you lot of advantages. Advantages you got of course the knowledge the rest of the information inside the book in which improve your knowledge and information. The data you get based on what kind of book you read, if you want send more knowledge just go with education and learning books but if you want really feel happy read one using theme for entertaining for instance comic or novel. Often the Fort Myers in Vintage Postcards (Postcard History Series) is kind of reserve which is giving the reader erratic experience.

Arthur Mead:

Information is provisions for people to get better life, information these days can get by anyone with everywhere. The information can be a expertise or any news even a problem. What people must be consider while those information which is in the former life are difficult to be find than now could be taking seriously which one works to believe or which one typically the resource are convinced. If you find the unstable resource then you get it as your main information you will see huge disadvantage for you. All those possibilities will not happen throughout you if you take Fort Myers in Vintage Postcards (Postcard History Series) as your daily resource information.

Chelsie Salls:

This Fort Myers in Vintage Postcards (Postcard History Series) is great publication for you because the content that is certainly full of information for you who always deal with world and still have to make decision every minute. This kind of book reveal it data accurately using great plan word or we can say no rambling sentences within it. So if you are read that hurriedly you can have whole information in it. Doesn't mean it only gives you straight forward sentences but challenging core information with wonderful delivering sentences. Having Fort Myers in Vintage Postcards (Postcard History Series) in your hand like finding the world in your arm, facts in it is not ridiculous one. We can say that no reserve that offer you world in ten or fifteen moment right but this publication already do that. So , this is good reading book. Hi Mr. and Mrs. busy do you still doubt which?
