Over 1,000 years ago, a witch hexed four charming Viking brothers, each with one of the four elements. They still live with these curses today, doomed to suffer for their ancient crimes forever.

Bram is a blood-stained Viking warrior, fighting alongside his family to conquer the region. But when his family takes on the wrong witch, he is cursed for all eternity to be an invisible water wraith. Will the centuries of punishment drive him to madness? Or can he find someone who can help him fight his curse?

Audrey is a modern day American witch exploring her grandmother's secret Scottish cabin for the first time. When she is drawn to the beautiful waters of a nearby loch, she gets much more than she bargained for.

This sexy tale, for mature listeners, contains a spectral matchmaking grandmother, fun in the tub, and a witch whose touch might be just wicked enough to change everything.

Publisher's Note: Each book in the Her Elemental Viking series stands on its own and can be heard in any order.
