Revision Surgery in Otolaryngology

Revision Surgery in Otolaryngology

Thieme congratulates David R. Edelstein on being chosen by *New York* magazine for its prestigious Best Doctors 2014 list.

From simple revision adenoidectomy to the very complex revision rhinoplasty, revision tympanomastoidectomy, and revision pharyngectomy, this book is a comprehensive reference for revision surgery in all areas of otolaryngology-head and neck surgery. The book presents practical guidelines for the procedures to manage recidivistic disease, the effects of unsuccessful primary surgery, and the complexities of altered anatomical structures. Extensive discussions of the problem, clinical presentation, assessment, indications for surgery, causes of surgical failure, risks, complications, timing considerations, surgical techniques, and alternative treatments provide the reader with all the essential information needed to develop an effective treatment tailored to the patient's particular situation. Detailed explanations also make this book a useful patient education tool.

Highlights:

- Easy-to-follow decision trees in every chapter guide the practitioner through each step of management
- Preoperative and postoperative photos clearly demonstrate surgical results
- Recommendations for how to address such issues as scarring and physiological differences created by prior surgeries
- More than 450 illustrations and diagrams of facial fractures and surgical approaches aid comprehension of critical concepts

With its broad coverage of the most common problems in revision surgery, this book is a valuable reference for both experienced and beginning otolaryngologists as well as specialists in otology, rhinology, laryngology, and head and neck, facial plastic, and reconstructive surgery.

From reader reviews:

Donald Labelle:

As people who live in typically the modest era should be change about what going on or information even knowledge to make all of them keep up with the era that is certainly always change and progress. Some of you maybe can update themselves by looking at books. It is a good choice for you personally but the problems coming to anyone is you don't know what kind you should start with. This Revision Surgery in Otolaryngology is our recommendation to make you keep up with the world. Why, as this book serves what you want and need in this era.

Cora Conte:

A lot of people always spent their very own free time to vacation or go to the outside with them household or their friend. Do you know? Many a lot of people spent they will free time just watching TV, or even playing video games all day long. If you want to try to find a new activity that is look different you can read a book. It is really fun for you personally. If you enjoy the book which you read you can spent the whole day to reading a guide. The book Revision Surgery in Otolaryngology it is rather good to read. There are a lot of people who recommended this book. We were holding enjoying reading this book. In the event you did not have enough space bringing this book you can buy the particular e-book. You can m0ore easily to read this book out of your smart phone. The price is not too costly but this book features high quality.

Edward Stevenson:

Many people spending their time period by playing outside having friends, fun activity having family or just watching TV 24 hours a day. You can have new activity to shell out your whole day by reading through a book. Ugh, think reading a book can definitely hard because you have to use the book everywhere? It alright you can have the e-book, bringing everywhere you want in your Cell phone. Like Revision Surgery in Otolaryngology which is keeping the e-book version. So , try out this book? Let's observe.

Robert Tanaka:

Some people said that they feel uninterested when they reading a e-book. They are directly felt the item when they get a half portions of the book. You can choose typically the book Revision Surgery in Otolaryngology to make your current reading is interesting. Your personal skill of reading talent is developing when you including reading. Try to choose simple book to make you enjoy to learn it and mingle the impression about book and reading especially. It is to be 1st opinion for you to like to start a book and go through it. Beside that the guide Revision Surgery in Otolaryngology can to be your brand-new friend when you're experience alone and confuse in what must you're doing of this time.
