Can Jo Bell spin a web big enough to catch . . . a criminal? The world's friendliest spiders take center stage in bestselling author Kathryn Lasky's latest book about The Deadlies!

They're sweet and friendly . . . but they just happen to be super toxic. The Deadlies are the world's most misunderstood family of spiders. Kicked out of home after home, all the Deadlies want is to settle down in a cozy web with no exterminators around.

Now they've found the perfect place - the Rare Books room at the Boston Library. The librarian isn't afraid of the Deadlies, and they have lots of lovely books to explore. But their peace is threatened when a thief starts targetting the library. Can the Deadlies spin a web big enough to catch a crook - or is it back on the road once more?
