Thin Ice

Mikael Engström, Susan Beard

Thin Ice Mikael Engström, Susan Beard

Where would you rather live – in a lonely flat with your drunk father, only bearable when your big brother is home? Or in a small, snowy village with a frozen lake, where your aunt burns books to keep the house warm, and a girl called Pi makes your heart beat a bit too fast, and your cranky old neighbour teaches you to catch fish that look like ice dragons, and a hawk owl watches out for you by night? Mik has been skating on thin ice his entire life. When he is forced to leave his new home with his aunt Lena, he leaves behind icy northern Sweden and all his new friends, and his life becomes a living nightmare. Through forests and along train lines, over rapids and waterfalls, Mik is determined that nothing will stop him from finding home at last. Shortlisted for the German International Children's Book Prize

From reader reviews:

Lillian Owensby:

What do you ponder on book? It is just for students as they are still students or this for all people in the world, exactly what the best subject for that? Just simply you can be answered for that issue above. Every person has various personality and hobby for every other. Don't to be forced someone or something that they don't need do that. You must know how great as well as important the book Thin Ice. All type of book would you see on many resources. You can look for the internet methods or other social media.

Anthony Thies:

Reading a e-book tends to be new life style within this era globalization. With reading you can get a lot of information that can give you benefit in your life. Together with book everyone in this world could share their idea. Publications can also inspire a lot of people. Plenty of author can inspire their particular reader with their story or maybe their experience. Not only the storyplot that share in the textbooks. But also they write about the data about something that you need illustration. How to get the good score toefl, or how to teach your children, there are many kinds of book that you can get now. The authors nowadays always try to improve their skill in writing, they also doing some analysis before they write with their book. One of them is this Thin Ice.

Lucy Nelson:

Playing with family in a park, coming to see the ocean world or hanging out with good friends is thing that usually you could have done when you have spare time, in that case why you don't try factor that really opposite from that. Just one activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of information. Even you love Thin Ice, you can enjoy both. It is fine combination right, you still would like to miss it? What kind of hang type is it? Oh occur its mind hangout guys. What? Still don't obtain it, oh come on its referred to as reading friends.

Steven Strong:

You can get this Thin Ice by look at the bookstore or Mall. Just viewing or reviewing it can to be your solve trouble if you get difficulties on your knowledge. Kinds of this guide are various. Not only by means of written or printed but additionally can you enjoy this book by e-book. In the modern era such as now, you just looking from your mobile phone and searching what your problem. Right now, choose your personal ways to get more information about your guide. It is most important to arrange you to ultimately make your knowledge are still revise. Let's try to choose suitable ways for you.
