In charge of a hotel renovation, Petra Chatam's got everything under control—except Dale Bowen. The too-handsome contractor has his own ideas about the project. And they don't match up with ambitious Petra's, who hopes to become hotel manager. But the more time they spend together, the more Petra realizes they both agree on what really matters: love, faith and family. And they soon learn that building a future together is more work than building a hotel! It'll take a little bit of patience—and a lot of help from three love-minded aunts.
