**A Gunshot Wound Sent John Wolf Straight To Paradise.**

Paradise Valley, that is, where an Irish hellcat with the face of an angel had rescued five orphans...and offered him a life that was more than just duty and danger. But would the truth of his past make their future together impossible?

More legend than lawman, more man than most, John Wolf was a U.S. Marshal who named himself Apache in his soul. And Tara Flannigan knew from the moment she rescued him that he'd bring trouble—and temptation—to her little patch of heaven on earth!
