Downtown Boston (MA) (Then & Now)

Anthony Mitchell Sammarco

Downtown Boston (MA) (Then & Now) Anthony Mitchell Sammarco

Settled in 1630 by English Puritans seeking religious freedom, Boston has always been a city prone to significant and monumental change. Even before it was incorporated as Boston, named after the town of Boston in Lincolnshire, England, the town's name was changed from Shawmut. From that time, Boston has evolved from being the original center of town government at the Old State House to becoming the financial center of New England in the twentieth century.

Downtown Boston captures many of Boston's intriguing changes with photographs of the past and present. Since the advent of photography one hundred and fifty years ago, Boston has seen many topographical changes, such as the infilling that created new land in the Dock Square and Long Wharf areas and the rebuilding of the Financial District with magnificent structures that have become a representation of Boston's banking and investment endeavors. At the height of commercial success, the Great Boston Fire of 1872 brought mass devastation-forty acres of the business area were destroyed and downtown Boston had to be rebuilt. Downtown Boston magnificently portrays Boston's rebuilding and rise as a historically beautiful city.
