The Invisible Dragon: Essays on Beauty, Revised and Expanded Dave Hickey

The Invisible Dragon made a lot of noise for a little book. When it was originally published in 1993 it was championed by artists for its forceful call for a reconsideration of beauty—and savaged by more theoretically oriented critics who dismissed the very concept of beauty as naive, igniting a debate that has shown no sign of flagging.

With this revised and expanded edition, Hickey is back to fan the flames. More manifesto than polite discussion, more call to action than criticism, *The Invisible Dragon* aims squarely at the hyper-institutionalism that, in Hickey's view, denies the real pleasures that draw us to art in the first place. Deploying the artworks of Warhol, Raphael, Caravaggio, and Mapplethorpe and the writings of Ruskin, Shakespeare, Deleuze, and Foucault, Hickey takes on museum culture, arid academicism, sclerotic politics, and more—all in the service of making readers rethink the nature of art. A new introduction provides a context for earlier essays—what Hickey calls his "intellectual temper tantrums." A new essay, "American Beauty," concludes the volume with a historical argument that is a rousing paean to the inherently democratic nature of attention to beauty.

Written with a verve that is all too rare in serious criticism, this expanded and refurbished edition of *The Invisible Dragon* will be sure to captivate a new generation of readers, provoking the passionate reactions that are the hallmark of great criticism.

From reader reviews:

Debbie Jones:

What do you regarding book? It is not important with you? Or just adding material when you really need something to explain what you problem? How about your spare time? Or are you busy person? If you don't have spare time to accomplish others business, it is make one feel bored faster. And you have free time? What did you do? Every individual has many questions above. They have to answer that question simply because just their can do that will. It said that about reserve. Book is familiar in each person. Yes, it is appropriate. Because start from on guardería until university need that The Invisible Dragon: Essays on Beauty, Revised and Expanded to read.

Margaret Gentile:

Reading a book tends to be new life style in this particular era globalization. With studying you can get a lot of information that can give you benefit in your life. Using book everyone in this world may share their idea. Publications can also inspire a lot of people. A lot of author can inspire their particular reader with their story or perhaps their experience. Not only the storyline that share in the guides. But also they write about the information about something that you need illustration. How to get the good score toefl, or how to teach children, there are many kinds of book that you can get now. The authors on earth always try to improve their ability in writing, they also doing some exploration before they write for their book. One of them is this The Invisible Dragon: Essays on Beauty, Revised and Expanded.

Linda Guyette:

Is it anyone who having spare time and then spend it whole day by simply watching television programs or just lying down on the bed? Do you need something totally new? This The Invisible Dragon: Essays on Beauty, Revised and Expanded can be the reply, oh how comes? The new book you know. You are and so out of date, spending your spare time by reading in this fresh era is common not a geek activity. So what these textbooks have than the others?

Glenn Herrera:

As a university student exactly feel bored to reading. If their teacher questioned them to go to the library or to make summary for some publication, they are complained. Just tiny students that has reading's spirit or real their interest. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that examining is not important, boring as well as can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this The Invisible Dragon: Essays on Beauty, Revised and Expanded can make you feel more interested to read.
