Edvard Munch: Behind The Scream

Sue Prideaux

Edvard Munch: Behind The Scream Sue Prideaux

Although almost everyone recognizes Edvard Munch's famous painting *The Scream*, hardly anyone knows much about the man. What kind of person could have created this universal image, one that so vividly expressed all the uncertainties of the twentieth century? What kind of experiences did he have? In this book, the first comprehensive biography of Edvard Munch in English, Sue Prideaux brings the artist fully to life. Combining a scholar's precision with a novelist's insight, she explores the events of his turbulent life and unerringly places his experiences in their intellectual, emotional, and spiritual contexts.

With unlimited access to tens of thousands of Munch's papers, including his letters and diaries, Prideaux offers a portrait of the artist that is both intimate and moving. Munch sought to paint what he experienced rather than what he saw, and as his life often veered out of control, his experiences were painful. Yet he painted throughout his long life, creating strange and dramatic works in which hysteria and violence lie barely concealed beneath the surface. An extraordinary genius, Munch connects with an audience that reaches around the world and across more than a century.

George Foulds:

Many people spending their moment by playing outside having friends, fun activity having family or just watching TV all day long. You can have new activity to spend your whole day by studying a book. Ugh, do you think reading a book can actually hard because you have to accept the book everywhere? It all right you can have the e-book, delivering everywhere you want in your Smartphone. Like Edvard Munch: Behind The Scream which is obtaining the e-book version. So , why not try out this book? Let's see.

Kathleen Hernandez:

As a college student exactly feel bored to be able to reading. If their teacher expected them to go to the library or make summary for some e-book, they are complained. Just tiny students that has reading's soul or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that reading through is not important, boring in addition to can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Edvard Munch: Behind The Scream can make you sense more interested to read.
