Food: A Love Story

Jim Gaffigan

Food: A Love Story Jim Gaffigan

“What are my qualifications to write this book? None really. So why should you read it? Here’s why: I’m a little fat. If a thin guy were to write about a love of food and eating I’d highly recommend that you do not read his book.”

Bacon. McDonalds. Cinnabon. Hot Pockets. Kale. Stand-up comedian and author Jim Gaffigan has made his career rhapsodizing over the most treasured dishes of the American diet (“choking on bacon is like getting murdered by your lover”) and decrying the worst offenders (“kale is the early morning of foods”). Fans flocked to his *New York Times* bestselling book *Dad is Fat* to hear him riff on fatherhood but now, in his second book, he will give them what they really crave—hundreds of pages of his thoughts on all things culinary(ish). Insights such as: why he believes coconut water was invented to get people to stop drinking coconut water, why pretzel bread is #3 on his most important inventions of humankind (behind the wheel and the computer), and the answer to the age-old question “which animal is more delicious: the pig, the cow, or the bacon cheeseburger?”

From reader reviews:

Annette Puente:

Information is provisions for folks to get better life, information today can get by anyone from everywhere. The information can be a know-how or any news even restricted. What people must be consider if those information which is inside former life are difficult to be find than now is taking seriously which one works to believe or which one the particular resource are convinced. If you receive the unstable resource then you understand it as your main information it will have huge disadvantage for you. All those possibilities will not happen inside you if you take Food: A Love Story as your daily resource information.

Patrick Lyon:

Food: A Love Story can be one of your basic books that are good idea. Many of us recommend that straight away because this guide has good vocabulary that can increase your knowledge in language, easy to understand, bit entertaining but nevertheless delivering the information. The author giving his/her effort that will put every word into joy arrangement in writing Food: A Love Story nevertheless doesn't forget the main level, giving the reader the hottest along with based confirm resource data that maybe you can be considered one of it. This great information can drawn you into new stage of crucial thinking.

Andrew Spivey:

Is it an individual who having spare time after that spend it whole day simply by watching television programs or just resting on the bed? Do you need something new? This Food: A Love Story can be the solution, oh how comes? A book you know. You are and so out of date, spending your extra time by reading in this brand-new era is common not a nerd activity. So what these guides have than the others?

Michelle Shaw:

That guide can make you to feel relax. This book Food: A Love Story was colorful and of course has pictures around. As we know that book Food: A Love Story has many kinds or genre. Start from kids until young adults. For example Naruto or Private investigator Conan you can read and believe that you are the character on there. Therefore , not at all of book are make you bored, any it offers up you feel happy, fun and relax. Try to choose the best book for yourself and try to like reading this.
