## **Il nemico del mondo (Italian Edition) Jack London**

In un futuro posto ad alcuni decenni dal momento in cui scrive, ma che per noi è già recente passato, Jack London delinea con sorprendente lungimiranza eventi che, mutatis mutandis, abbiamo visto realizzati negli ultimi anni. Tanto che verrebbe da chiedersi: se già negli anni Dieci del Novecento uno scrittore era stato in grado di prevedere attacchi in stile 11 settembre (nel racconto *Il nemico del mondo*) o l'espansione planetaria della Cina (nel racconto *L'invasione asimmetrica*), perché le classi dirigenti si fanno sempre trovare impreparate? Traduzione di Daniele Lucchini.
