On God

Jiddu Krishnamurti

On God Jiddu Krishnamurti

On God contemplates our search for the sacred. "Sometimes you think life is mechanical, and at other times when there is sorrow and confusion, you revert to faith, looking to a supreme being for guidance and help." Krishnamurti explores the futility of seeking knowledge of the "unknowable" and shows that it is only when we have ceased seeking with our intellects that we may be "radically free" to experience reality, truth, and bliss. He present "the religious mind" as one that directly perceives the sacred rather than adhering top religious dogma.
