Saber hablar (Spanish Edition) Instituto Cervantes

¿Sabe dirigirse a un público en la exposición de sus argumentos y conseguir mantener su atención durante todo el tiempo? ¿Sabe al menos cómo no tartamudear y mantener la compostura durante su discurso? ¿Sabe hablar en público hilvanando ideas y argumentos, ser claro y directo y que su público lo entienda? Saber hablar no es un manual de estilo o de protocolo a la hora de hablar en público. Todos tenemos que hablar en público ya sea en ámbitos personales (una boda o una celebración familiar#) o laborales (una comida de empresa, un discurso a los compañeros o subordinados, una exposición comercial, un informe de actividades#). Frente a un público que espera lo mejor de usted puede ponerse nervioso, tartamudear y sentirse ridículo o mantener la calma, argumentar adecuadamente y expresarse de tal forma que todos (tanto usted como su público) queden satisfechos. Saber hablar es un instrumento imprescindible para los que dudan, para los que tienen pánico al público, para los que tienen necesidad de hablar y comunicarse, en definitiva. Saber hablar expone con claridad, amenidad y rigor las pautas necesarias para expresar lo que pensamos. Nace con la intención de ayudar a comunicarse; de ampliar los procedimientos de generación y precisión de ideas, de documentación y de planificación; de seleccionar los elementos de unión adecuados; de relacionar de forma conveniente el contenido del tema con la expresión, el registro y el estilo elegidos, y de aprender a aplicar las técnicas de revisión y corrección para lograr la redacción y la disposición exigidas en cualquier presentación oral.
