Toys to Sew Claire Garland

Featuring original patterns to stitch an exciting variety of children's soft toys, this book also contains sewing and embroidery projects for stitchers of all abilities. It contains projects suitable for babies and children up to 6 years, and step-by-step instructions and templates for all the designs. Any child would love to have one of the enchanting fabric toys in this exciting new book of sewing projects. Claire Garland has designed a range of easy-to-make, colourful and cuddly friends, suitable for children from 0-6 years old. The great toys in this book range from smiley dinosaurs, including a baby and its egg, to a fun and funky rag doll, complete with her own smart wardrobe of fashionable clothes. The projects use basic sewing and embroidery skills, and range from very simple to the slightly more complex. All the instructions are clearly explained, with a useful list of the materials and equipment required at the start of each project. The pattern templates for fabric cutting are also included, as well as tip boxes giving handy hints to save time, or suggesting alternative ideas for embellishments. If you want to make a unique gift for the child in your life, Claire's inspirational patterns will make you want to pick up your needle and start sewing. "Toys to Sew" is the companion volume to "Toys to Knit", which includes a range of desirable projects to knit from Rowan knitting consultant Tracy Chapman.

Is it anyone who having spare time then spend it whole day by simply watching television programs or just telling lies on the bed? Do you need something totally new? This Toys to Sew can be the response, oh how comes? A book you know. You are so out of date, spending your spare time by reading in this brand-new era is common not a nerd activity. So what these textbooks have than the others?

Nancy Steffen:

As a university student exactly feel bored to reading. If their teacher inquired them to go to the library or even make summary for some reserve, they are complained. Just small students that has reading's heart and soul or real their passion. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that reading is not important, boring along with can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this Toys to Sew can make you experience more interested to read.
