A Syntax-Reader for the Greek New Testament: Fifteen Lessons

James De Young

A Syntax-Reader for the Greek New Testament: Fifteen Lessons James De Young

Many excellent texts on New Testament Greek grammar and syntax exist to lead students into deeper understanding of the language. Yet these approach the instruction of Greek in either a deductive or an inductive manner. The aim of this 'Syntax-Reader' is to instruct students in the learning of Greek syntax by combining what the best texts on syntax teach with a comprehensive reading of theologically significant passages of the New Testament. In this manner, students come to appreciate Greek syntax as the foundation for exegesis and their understanding of theology and the truth of Scripture. The 'Syntax-Reader' enables students to know not only Greek syntax but to know how syntax contributes to translating and interpreting most of the passages which are basic to the doctrines of Christianity. By means of translation, questions for the "heart and mind" discussion questions, assignments, and syntactical charts, students advance from the doctrine of Scripture through the doctrines of God the Father, Christ the Son, the Holy Spirit, salvation, Satan, holiness, the Church, sin, the nature of people, spiritual gifts, justification by faith, the return of Christ, the exaltation of Christ, and union with Christ. In short, students learn theology as they learn Greek, and they learn Greek as they learn theology.

It is most important to arrange you to ultimately make your knowledge are still revise. Let's try to choose appropriate ways for you.

Roger Borquez:

As a student exactly feel bored for you to reading. If their teacher asked them to go to the library in order to make summary for some e-book, they are complained. Just tiny students that has reading's spirit or real their interest. They just do what the teacher want, like asked to the library. They go to presently there but nothing reading significantly. Any students feel that examining is not important, boring and can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this A Syntax-Reader for the Greek New Testament: Fifteen Lessons can make you truly feel more interested to read.
