This is the tenth anniversary edition of the classic bestseller for women seeking their sacred connections. Long ago before the patriarchal period, in many places on Earth, the Goddess was worshipped. Circle of Stones draws us into a meditative experience of the lost Feminine and creates a space for us to consider our present lives from the eyes of women's ancient culture and ritual. Incorporating the most ancient symbol of spirituality — the circle of stones — Duerk weaves stories, dreams, and visions of women to lead each reader into a personal yet archetypal journey, posing the reflective question, "How might your life have been different if . . . ?" Reading group guide included.
