Koontown Killing Kaper Bill Campbell

All the rappers in Koontown are being killed, and everybody thinks it is vampire crack babies who are doing the killing. Desperate, the police reach out to Genevieve Noire, a former supermodel and homicide detective now working as a private eye, to save the day. With this work, author Bill Campbell conducts a gleeful evisceration of the social tropes, stereotypes, and conspiracy theories running rampant in today's popular culture.
