**La Magdalena (Spanish Edition) Juan Arias**

**Juan Arias nos ofrece en este libro una hipótesis muy bien documentada: La Magdalena vivió con Jesús una apasionada historia de amor.**

María Magdalena fue la mujer escogida por Jesús de Nazaret como primera destinataria de sus revelaciones y los secretos de su sabiduría, y el entorno de Jesús no entendió por qué confió a ella secretos que escondía a sus discípulos más cercanos.

Según los evangelios, Jesús resucitado apareció ante ella en primer lugar y, como mensajera, la envió a comunicar la importante noticia a Pedro y a los demás apóstoles, escondidos y atemorizados tras la crucifixión.

Desde los orígenes del cristianismo se tejió en torno a María Magdalena una tupida red de leyendas y falsedades. La intención podría haber sido ocultar su verdadera identidad y quizá rebajar o eliminar el papel fundamental que ella debería haber tenido y no tuvo en la fundación de la nueva religión. La Iglesia siempre tuvo miedo del personaje, puesto que, a juzgar por los textos, María de Magdala aparecía asociada afectivamente a Jesús y este hecho podría hacer tambalear los cimientos de la institución.

#### **Francis Gibbs:**

As a student exactly feel bored to reading. If their teacher asked them to go to the library or even make summary for some reserve, they are complained. Just tiny students that has reading's spirit or real their passion. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that looking at is not important, boring along with can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this La Magdalena (Spanish Edition) can make you truly feel more interested to read.
