Settling the Score: An Adult Erotic Mystery Robert W. Birch

Sex, Sin, and Murder - This adult mystery has it all. The diverse sexual interests and erotic exploits of the characters are developed with the insight of a seasoned author of sexuality material. However, "Settling the Score" is hardly a clinical report of case histories! The language is explicit and the sexual lifestyles and behaviors of the fictional characters are described in graphic detail.

This adult novel is mostly about the past and present sexuality of a number of young adults. Along the way, there are a couple wild orgies. However, in the midst of intense passion, sexual improprieties, and malicious behaviors, someone is bound to get hurt.

This is an X Rated novel for adult readers only!
