What Would Machiavelli Do?

- He would feast on other people's discord
- He wouldn't exactly seek the company of ass-kissers and bimbos, but he wouldn't reject them out of hand, either
- He would realize that loving yourself means never having to say you're sorry
- He would kill people, but only if he could feel good about himself afterward
- He would establish and maintain a psychotic level of control
- He would use other people's opinions to sell his book!
