Remember back when women traded on their beauty and men traded on their wealth and power? Well, the times, they are a changin'. As women grow more successful and financially independent, they are abandoning their mothers' "marry rich" mantra in favor of "it's as easy to fall in love with a handsome man as an ugly one." In this book, the sensational Cyndi Targosz teaches women of all ages the ins and outs of these lusty, and surprisingly long-lasting, affairs. Sprinkled with real-life stories of successful alliances, readers learn the truth about relationships with the sometimes younger, always sexier, hunky men women increasingly love to call their own.
