## **Fundamentos da teologia escatológica (Portuguese Edition)** Edson Lopes

O destino final da humanidade, a vida após a morte, o paraíso e o inferno são temas que trazem grande curiosidade e também enorme angústia a muitos cristãos. A escatologia, parte da teologia que se debruça sobre essas questões, é ignorada ou temida por boa parte dos teólogos e igrejas cristãs brasileiras. Assunto sério, mas alvo de muitas conclusões e teorias estapafúrdias, a escatologia precisa ser estudada com seriedade e bom senso. Em linguagem simples, mas não menos profunda, esta obra do pastor e professor Edson Lopes visa suprir uma importante lacuna no ensino teológico brasileiro, discutindo temas controversos sem fugir das divergências doutrinárias, exegéticas ou hermenêuticas e oferece ao leitor fundamentos sérios e argumentos sólidos para seu crescimento teológico e na vida cristã.
