Iron Council (New Crobuzon Book 3) China Mieville

BONUS: This edition contains an excerpt from China Miéville's *Embassytown*.

Following *Perdido Street Station* and *The Scar*, acclaimed author China Miéville returns with his hugely anticipated Del Rey hardcover debut. With a fresh and fantastical band of characters, he carries us back to the decadent squalor of New Crobuzon—this time, decades later.

It is a time of wars and revolutions, conflict and intrigue. New Crobuzon is being ripped apart from without and within. War with the shadowy city-state of Tesh and rioting on the streets at home are pushing the teeming city to the brink. A mysterious masked figure spurs strange rebellion, while treachery and violence incubate in unexpected places.

In desperation, a small group of renegades escapes from the city and crosses strange and alien continents in the search for a lost hope.

In the blood and violence of New Crobuzon's most dangerous hour, there are whispers. It is the time of the iron council. . . .

The bold originality that broke Miéville out as a new force of the genre is here once more in *Iron Council*: the voluminous, lyrical novel that is destined to seal his reputation as perhaps the edgiest mythmaker of the day.
