The Stalker Chronicles (Urban Books) Electa Rome Parks

She's back, and this time it's all about revenge.

Tall, dark, and handsome bestselling male author Xavier Preston thought his nightmare--in the form of Pilar, a fanatical stalker/fan--had finally ended. Little does he know it's only beginning.

When Xavier met Pilar, he got much more than he bargained for. What started out as an erotic one-night stand quickly turned into a dangerous game of obsession and pain, with both parties playing to win. Then she simply disappeared.

Stunning Pilar hasn't gone away, though. In fact, she has been very near, watching his every move and patiently waiting for him to realize they were meant to be together forever. She still believes they're soul mates, and the only option for her is "Until death do us part." If she can't have Xavier, then no one can. Now no one is safe--not his friends, and definitely not him.

Revenge can be a real killer.
