The Upside of Ordinary Susan Lubner

Eleven-year-old Jermaine wants to be famous: limo-riding, camera-flashing, crowd-waving famous. Since her family isn't likely to move from Maine to Hollywood so she can become a movie star, she decides she'll make a reality TV show about her family and friends. Jermaine quickly realizes that her everyday life is boring, so to kick up her show a notch, she starts staging events to elicit more humor, more drama, more excitement. This laugh-aloud debut novel takes a lighthearted look at unbridled ambition, the cult of celebrity, the reality behind reality TV, and the upside of being part of an ordinary family.
