An elderly black grandmother passes on the story of the family's Jewish origins to her young granddaughter, Carol Olivia. As family members flee the Spanish Inquisition, are kidnapped by pirates and eventually sail to America, one daughter in each generation is given the name Olivia, from the Hebrew Shulamit meaning "peace," to honor the Jewish part of their ancestry. Critically acclaimed author Carolivia Herron (*Nappy Hair*) shares this engaging, multicultural tale that is based on her own family's heritage.

This is a fixed-format ebook, which preserves the design and layout of the original print book.
