MSRP \$8.99

Explore the 50 intricate and symmetrical designs in various styles to help you relax and find your creative side.

Suitable for adults and older children, these designs can be brought to life with colored pencils, crayons, or markers.

Known for its relaxation properties, coloring has been known to help reduce stress, anxiety, and also help stimulate the brain areas related to motor skills and creativity.

Unlike many coloring books, the designs in this book are single sided. That means you can color all the images without worrying about the color bleeding and destroying the image on the other side.

The square pages and symmetrical designs make the book perfect for left and right handed people. Left handed people simply have to rotate the book 180 degrees and they are good to go.
