Spell It Out

Spell It Out

The four soft cover volumes of Spell It Out integrates reading, writing and critical thinking in a way that takes the drudgery out of learning to spell. Each lesson offers a stimulating variety of short spelling skill drills, practice test, short reading comprehension and critical-thinking sections, a word game, and special "challenge words," designed to help students learn by getting actively involved.

- Reading skills improve while students enjoy the magazine-style articles that open each lesson.
- Spelling words are grouped to help students learn and internalize spelling rules.
- Special attention to "problem" spellings makes mastery possible.
- The Teacher's Manual includes supplementary word lists - easy, difficult, challenging, and expert.
