Love, Fiercely: A Gilded Age Romance

Jean Zimmerman

Love, Fiercely: A Gilded Age Romance Jean Zimmerman

The New York love story of a beautiful heiress and a wealthy young architect, captured in a famous John Singer Sargent painting

In *Love, Fiercely* Jean Zimmerman re-creates the glittering world of Edith Minturn and Isaac Newton Phelps Stokes. Contemporaries of the Astors and Vanderbilts, they grew up together along the shores of bucolic Staten Island, linked by privilege—her grandparents built the world's fastest clipper ship, his family owned most of Murray Hill. Theirs was a world filled with mansions, balls, summer homes, and extended European vacations.

Newton became a passionate preserver of New York history and published the finest collection of Manhattan maps and views in a six-volume series. Edith became the face of the age when Daniel Chester French sculpted her for Chicago's Columbian Exposition, a colossus intended to match the Statue of Liberty's grandeur. Together Edith and Newton battled on behalf of New York's poor and powerless as reformers who never themselves wanted for anything. Through it all, they sustained a strong-rooted marriage.

From the splendid cottages of the Berkshires to the salons of 1890s Paris, *Love, Fiercely* is the real story of a world long relegated to fiction.
