Study Skills for Social Workers (SAGE Study Skills Series)

Christine Stogdon, Robin Kiteley

Study Skills for Social Workers (SAGE Study Skills Series) Christine Stogdon, Robin Kiteley

'The book is completely student focused. I envisage students having the text on their desks when they attempt their written work, and this is very much how a study guide should be used' - **Professor Keith Popple, London South Bank University**

Study Skills for Social Workers offers an accessible insight into the practical use of skills for study in a professional social work context. Engaging with students on their journey through the undergraduate or postgraduate qualifying course, it uses relevant case material from academic and social work perspectives to demonstrate the connection between study and practice. The book is comprehensive in its coverage of the core study skills, including guidance on:

- Effective writing
- Successful communication
- Reflective study
- E-learning
- Learning in the workplace
- Understanding feedback.

Written in a student-friendly style, **Study Skills for Social Workers** is interspersed with activities and exercises to enable students to practice and improve their skills as they move through the text. Also included is a glossary, and model answers to sample questions.

SAGE Study Skills are essential study guides for students of all levels. From how to write great essays and succeeding at university, to writing your undergraduate dissertation and doing postgraduate research, SAGE Study Skills help you get the best from your time at university. Visit the **SAGE Study Skills website** for tips, quizzes and videos on study success!

From reader reviews:

Gertrude Barrett:

Do you have favorite book? If you have, what is your favorite's book? Book is very important thing for us to know everything in the world. Each guide has different aim or even goal; it means that e-book has different type. Some people truly feel enjoy to spend their the perfect time to read a book. They are really reading whatever they acquire because their hobby is definitely reading a book. Consider the person who don't like studying a book? Sometime, particular person feel need book whenever they found difficult problem or even exercise. Well, probably you will require this Study Skills for Social Workers (SAGE Study Skills Series).

Homer Smith:

What do you think of book? It is just for students because they are still students or the idea for all people in the world, the particular best subject for that? Just simply you can be answered for that issue above. Every person has various personality and hobby per other. Don't to be forced someone or something that they don't would like do that. You must know how great along with important the book Study Skills for Social Workers (SAGE Study Skills Series). All type of book are you able to see on many options. You can look for the internet methods or other social media.

James Mace:

People live in this new day of lifestyle always try and and must have the spare time or they will get large amount of stress from both everyday life and work. So , once we ask do people have time, we will say absolutely sure. People is human not really a huge robot. Then we ask again, what kind of activity are you experiencing when the spare time coming to anyone of course your answer will probably unlimited right. Then do you ever try this one, reading textbooks. It can be your alternative with spending your spare time, often the book you have read is definitely Study Skills for Social Workers (SAGE Study Skills Series).

Jan Dixon:

This Study Skills for Social Workers (SAGE Study Skills Series) is great reserve for you because the content and that is full of information for you who all always deal with world and also have to make decision every minute. This particular book reveal it info accurately using great plan word or we can declare no rambling sentences included. So if you are read that hurriedly you can have whole facts in it. Doesn't mean it only will give you straight forward sentences but hard core information with beautiful delivering sentences. Having Study Skills for Social Workers (SAGE Study Skills Series) in your hand like getting the world in your arm, info in it is not ridiculous a single. We can say that no publication that offer you world inside ten or fifteen minute right but this book already do that. So , this is certainly good reading book. Hey there Mr. and Mrs. occupied do you still doubt which?
