The Family Tree: A Lynching in Georgia, a Legacy of Secrets, and My Search for the Truth Karen Branan

In the tradition of *Slaves in the Family*, the provocative true account of the hanging of four black people by a white lynch mob in 1912—written by the great-granddaughter of the sheriff charged with protecting them.

Harris County, Georgia, 1912. A white man, the beloved nephew of the county sheriff, is shot dead on the porch of a black woman. Days later, the sheriff sanctions the lynching of a black woman and three black men, all of them innocent. For Karen Branan, the great-granddaughter of that sheriff, this isn't just history, this is family history.

Branan spent nearly twenty years combing through diaries and letters, hunting for clues in libraries and archives throughout the United States, and interviewing community elders to piece together the events and motives that led a group of people to murder four of their fellow citizens in such a brutal public display. Her research revealed surprising new insights into the day-to-day reality of race relations in the Jim Crow-era South, but what she ultimately discovered was far more personal. As she dug into the past, Branan was forced to confront her own deep-rooted beliefs surrounding race and family, a process that came to a head when Branan learned a shocking truth: she is related not only to the sheriff, but also to one of the four who were murdered. Both identities—perpetrator and victim—are her inheritance to bear.

A gripping story of privilege and power, anger, and atonement, *The Family Tree* transports readers to a small Southern town steeped in racial tension and bound by powerful family ties. Branan takes us back in time to the Civil War, demonstrating how plantation politics and the Lost Cause movement set the stage for the fiery racial dynamics of the twentieth century, delving into the prevalence of mob rule, the rise of the Ku Klux Klan and the role of miscegenation in an unceasing cycle of bigotry.

Through all of this, what emerges is a searing examination of the violence that occurred on that awful day in 1912—the echoes of which still resound today—and the knowledge that it is only through facing our ugliest truths that we can move forward to a place of understanding.

So , for all of you who want to start reading through as your good habit, you are able to pick The Family Tree: A Lynching in Georgia, a Legacy of Secrets, and My Search for the Truth become your starter.

Daryl Radford:

As a student exactly feel bored to reading. If their teacher asked them to go to the library as well as to make summary for some publication, they are complained. Just very little students that has reading's heart and soul or real their hobby. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that looking at is not important, boring and can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this The Family Tree: A Lynching in Georgia, a Legacy of Secrets, and My

Search for the Truth can make you feel more interested to read.
