There are updates to case law and codes of practice and numerous case studies and reflective activities to help underpin knowledge and learning.

Affordable, practical and tells you exactly what you need in order to pass assignments and prepare for practice.

Key Updates include new information on:

- The Children and Families Act 2014
- The Care Act 2014
- Working Together to Safeguard Children (2012)
- Mental Capacity Act 2005
