Bumper Sticker Liberalism: Peeling Back the Idiociess of the Political Left

Mark Goldblatt

Bumper Sticker Liberalism: Peeling Back the Idiociess of the Political Left Mark Goldblatt

In this hilarious, sharp, smart, and savagely on-target analysis of the standard Liberal bromides, political commentator Mark Goldblatt argues that the righteous stands of the modern American Left are nothing more than bumper sticker sayings: catchy phrases with nothing of substance underneath. In *Bumper Sticker Liberalism*, Goldblatt peels back the idiociess of the political Left—be they global warming deceptions, government controlled health care demands, or irrational pleas for peace—to reveal the emptiness of these ideas. Wonderfully biting, aggressively entertaining, Goldblatt's *Bumper Sticker Liberalism* is funny and insulting...in just the Right way.
