Heroes of History: A Brief History of Civilization from Ancient Times to the Dawn of the Modern Age Will Durant

In the tradition of his own bestselling masterpieces *The Story of Civilization* and *The Lessons of History*, Pulitzer Prize-winning historian Will Durant traces the lives and ideas of those who have helped to define civilization, from its dawn to the beginning of the modern world.

Heroes of History is a book of life-enhancing wisdom and optimism, complete with Durant's wit, knowledge, and unique ability to explain events and ideas in simple, exciting terms. It is the lessons of our heritage passed on for the edification and benefit of future generations—a fitting legacy from America's most beloved historian and philosopher.

Will Durant's popularity as America's favorite teacher of history and philosophy remains undiminished by time. His books are accessible to readers of every kind, and his unique ability to compress complicated ideas and events into a few pages without ever "talking down" to the reader, enhanced by his memorable wit and a razor-sharp judgment about men and their motives, made all of his books huge bestsellers. *Heroes of History* carries on this tradition of making scholarship and philosophy understandable to the general reader, and making them good reading, as well.

At the dawn of a new millennium and the beginning of a new century, nothing could be more appropriate than this brilliant book that examines the meaning of human civilization and history and draws from the experience of the past the lessons we need to know to put the future into context and live in confidence, rather than fear and ignorance.
