Latin Moon in Manhattan: A Novel Jaime Manrique

Exuberant and colorful, *Latin Moon in Manhattan* paints a vivid portrait of New York City as the land of El Dorado for today's Latino immigrants. From Little Colombia in Queens to the street life of Times Square, this brilliant novel is crowded with an extraordinary cast of characters: Hot Sauce, a midget hooker; Simon Bolivar, a parrot who croons Julio Iglesias songs; the Urrutias, a family rich from cocaine smuggling; Santiago Martinez, a loner and would-be poet whose ancient cat, Mr. O'Donnell, is slowly dying of an enlarged heart. Exploding with a profusion of plots and subplots involving drug smuggling, romance, and the literary politics of Queens, *Latin Moon in Manhattan* is a rich and utterly charming work.
