Marriage Matters Cynthia Ellingsen

In this “funny, touching, and heartwarming romantic” (JULIE JAMES) novel, a bride-to-be contends with wedding plans, work pressures, and second thoughts.... For fans of Emily Giffin and Julie James.

On top of grad school, clinical hours, and part-time work, Chloe is surprised to find a ring on her finger. Sharing the news about the engagement is easy, except with her best friend, Ben. Their relationship has always been platonic and he has stood by her through thick and thin...so what's his problem with the new man in her life?

As she gets caught up in the whirlwind of planning a five-star wedding, she can't stop the nagging feeling that something isn't quite right. And Ben, the one person she wants by her side, is suddenly MIA... The guests are invited, the gifts wrapped, the flowers ordered, and her bridal gown fits like a dream. The only thing left is a walk down the aisle. Backing out now would be the biggest mistake of her life, right? Unless the biggest mistake would actually be saying, “I do”...

From reader reviews:

Ann Tuttle:

Do you one among people who can't read enjoyable if the sentence chained from the straightway, hold on guys this aren't like that. This Marriage Matters book is readable by you who hate those straight word style. You will find the facts here are arrange for enjoyable reading through experience without leaving actually decrease the knowledge that want to offer to you. The writer associated with Marriage Matters content conveys thinking easily to understand by many individuals. The printed and e-book are not different in the content but it just different as it. So , do you continue to thinking Marriage Matters is not loveable to be your top list reading book?

Lucille Roller:

Do you one of the book lovers? If so, do you ever feeling doubt when you find yourself in the book store? Try and pick one book that you just dont know the inside because don't evaluate book by its deal with may doesn't work here is difficult job because you are scared that the inside maybe not as fantastic as in the outside appear likes. Maybe you answer is usually Marriage Matters why because the great cover that make you consider with regards to the content will not disappoint a person. The inside or content is definitely fantastic as the outside as well as cover. Your reading sixth sense will directly guide you to pick up this book.

Oliver Crites:

Are you kind of occupied person, only have 10 or 15 minute in your day to upgrading your mind ability or thinking skill actually analytical thinking? Then you are experiencing problem with the book than can satisfy your small amount of time to read it because this all time you only find book that need more time to be learn. Marriage Matters can be your answer as it can be read by an individual who have those short free time problems.

Betsy Haley:

As a college student exactly feel bored to reading. If their teacher requested them to go to the library or even make summary for some guide, they are complained. Just very little students that has reading's internal or real their leisure activity. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that reading is not important, boring in addition to can't see colorful photos on there. Yeah, it is being complicated. Book is very important for you. As we know that on this age, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Marriage Matters can make you experience more interested to read.
