The Fourth Stall Part II Chris Rylander

The life of crime is good. Mac has taken down legendary high school crime boss Staples, business has been booming, and Mac and Vince are getting ready for middle school baseball tryouts. But this can't last. Mac has always tried to keep his friends close and his enemies closer. But what happens when you can't tell the difference?

This dilemma walks into the fourth stall in the form of Trixie Von Parkway—an eighth grader with a mean look and an even meaner predicament. The new science teacher is terrorizing her, and she needs Mac to get him off her back. Seems simple enough, but as Mac starts to dig deeper, he finds even more trouble brewing at his school, including a new administrator bent on destroying his business, and indications that Trixie isn't who she claims to be. In the past, the worst thing that could have happened to Mac was that he might lose a little money, maybe catch a beating. In *The Fourth Stall Part II*, though, there's going to be much more on the line than that.
